

Dear Member,

## **SEMINAR** **E-Way Bill + GST + CRISIL Indices**

We were looking out for a suitable time to undertake a Seminar for YOU - members, on below curated topics since sometime now and are today pleased to share with you the agenda and date.

The proposed seminar will be undertaken by the Association's consultant Pathik Shah and our committee member Sanjay Patel, Project In Charge for Taxation.

**Venue and Date:** On Friday, June 22, at J K Banquets, Prabhadevi (before Century Bhavan), Mumbai – 400025. Valet Parking facility is available at the venue. Registration begins from 4.30 pm and the main event to start at 5pm sharp. Early bird gets the best seats and also the first-come chance to participate. We will discuss in-depth the following content:

- E-Way Bill
- Further Amendments in GST
- CRISIL Indices CARDEX & PRIDEX

This seminar is being co-partnered by **HP Indigo** and **BMPA-Print Park by Renaissance**. There will be two brief expert sessions to explain Digital Packaging Solutions from HP Indigo including a chance to meet senior team members from the firm. The BMPA Print Park by Renaissance will present its variable solutions that are not just attractively packaged BUT made even more lucrative via the C Zone Incentive Benefits. So one could consider making the dual investments in tandem - technology and integrated facilities.

### **How to Register?**

The session is FREE for upto 2 participants from each eligible member firm - on first come basis. To register it is mandated to mark an email with info of participants (Name, Mobile Number and Email ID) to <[admin@bmpa.org](mailto:admin@bmpa.org)> As the number of seats are limited kindly act swiftly.

( **Note:** The seminar will begin at 5pm sharp and will have suitable breaks and will be followed by a sumptuous dinner with fine time for networking with industry peers.

### **What are CRISIL Indices?**

The All India Federation of Master Printers (AIFMP), New Delhi, have collaborated with CRISIL to launch cost-based indices to track price movement of items in the Commercial Printing segment (PRIDEX) and folding Carton/Packaging segment (CARDEX). At this seminar the plan is to sensitize members on using these tools effectively to leverage efficient pricing.

Do hurry!

**Team BMPA**  
**Let's do more!**
