Dear Member

The twin Associations seek your support over promoting this industry-event.

BMPA and MMS are hosting a Printers' Premier League (PPL) Cricket Tournament on Dec 14th as a whole-day-event with family.

This is a mega event being hosted by both the bodies on a grand Scale. The PPL is being co-sponsored by Toyo Ink India. This event is just not about cricket though cricket will take centre stage. The PPL fulfills a mandate set by the two Associations when they undertook a MoU of Collaboration over a spate of events earlier in Jan 2017. The twin bodies have already merged their respective in-house publications into one new entity- Print Bulletin.

A Badminton tournament on similar lines was undertaken in Apr 2016 and come December and its time for PPL. The PPL is being planned as family day for print company owners and their spouses and children. The venue for the PPL is a lush green cricket field located at Mumbai Western Railway Stadium, Opp. Raghuvanshi Mill Compound, Lower Parel, Mumbai - 13.

8 teams i.e. 64 entries in all will pair off against each other to lead to a final winner.

Press Owners, their Family members, Directors or senior staff can play. Currently one per company to ensure everyone gets a chance to participate. It's a cricket ball tournament with all cricketing gear and print company owners showcasing their cricketing skills will be the centre stage.

On the boundary lines are games for children, food stalls with mouthwatering stuff for one and all. There will be cheer leaders dancing and showing their skills for each boundary hit and DJ to get your adrenalin going with thumping music.

An ideal way to relax, meet friends from the industry, laugh about the game and pull each other's leg. The ones doing well will have boasting rights as trophies will be handed out at the end.

The organisers BMPA-MMS - assure you that Dec 14th is surely gonna be a fun day at being a printer.

Regards

The PPL Organizing Team

Tushar Bhotica, Firoze Reshamwala, Tushar Dhote, Ashok Holkar and Rahul Kulkarni
