

## Mr. Rajeev Vohra

Co-founder and Executive Director, Repro India Ltd.

Mr. Rajeev Vohra started his career in 1988 with a vision to consolidate the ever fragmented offset printing industry! Back then he set up the largest integrated print facility in 1995 and grew the business to become one of the largest offset printing company in the education space in the country! Mr. Vohra has always believed in thinking and gearing up for the next disruption and being a technologist at heart, he transformed Repro's business from offset to now one of the most modern and one of the largest Print on Demand businesses not just in India but in the world! With this he transformed Repro's brand from a printer to now a tech enabled content aggregation and books distribution company!
