BMPA's High Point Impact Session (B:HIP)

On Fri, Sep 1st 2023: 5.20pm

Venue: **The Prive, Hotel Orchid, Ville Parle E**
([map directions](#))

This years IMPACT Session at High Point - the post AGM members' annual networking gala focuses on "EPR". This compliance act, enacted since 2016 is now **set to bring immediate and stiff irreconcilable penalties and business curbs.**

We bring to you a super-session on EPR along with live discussion amongst print businesses who have begun their journey and successfully registered for EPR. The entire chain of compliances are getting hardcoded. Renewal of a broad range of permits is now becoming sequential and interdependent. So it is VITAL for you – as a business owner to be present. Get fully updated and participate. There will be live music with Saurabh from the *tanatan* fame, over bar and dinner subsequent to the session.

REGISTRATION

To reserve your **one *FREE-seat** (transferable) for the HIP Session, email <memberships@bmpa.org>. Do hurry - Limited seats on first-come-basis. We will require name of the pax, mobile number and email id for this process. Reserve additional seat @ Rs.950 + GST. The session will host you to light refreshments on a complimentary basis. (*Delegate registering under the Free-seat will be obliged to pay the above cost in case of a no-show. This is a measure to discourage inconvenience posed to fellow members by holding up the seat and keeping them unused.)

The subsequent High Point Gala and cocktail dinner, after the session, is also extended on a **complimentary basis to ONE-pax per valid member entity.** Additional passes can be purchased. Please ask for the same in your inquiry with <memberships@bmpa.org>. Participation in the Annual General Body Meet (5pm) for a registered nominee and subsequent High Point Gala is complimentary.

↔ B:HIP, book your seat/s Today!
